

Automotive Trainer/Assessor and Coordinator

Auto Sales (Parts)

**Do you have a background in automotive Sales (Parts)?
Do you have business development experience?
Do you have a passion for training young people?
Would you like to work in a state-of-the-art training facility?**

The Motor Trade Association Training and Employment Centre trains 800 students and has an excellent reputation as both a Group Training Organisation (GTO) and Registered Training Organisation (RTO) within the Motor Industry.

We offer an exciting, challenging and rare opportunity for a highly motivated person to join our dedicated team based at Royal Park in this newly created role.

This role will be responsible for the Automotive Sales (Parts) training and assessment for apprentices, ensuring quality, compliance and outstanding service. This role will also proactively grow the Automotive Sales (Parts) Training Division and generate revenue by increasing the number of Automotive Sales (Parts) industry apprentices.

We are seeking the following qualities:

- Qualified tradesperson with current automotive industry knowledge and experience.
- Current Automotive Parts sales experience.
- TAE40116 (or equivalent) Certificate IV in Training and Assessment will be an advantage but should not deter capable applicants. Certificate IV TAE training will be provided.
- A professional approach and the ability to work with young people and consult with Industry.
- Proven sales ability, business development experience and relationship building skills.
- Strong ability to identify opportunities and develop innovative solutions.
- Energetic, positive and enthusiastic attitude.
- High level of initiative and drive to succeed.
- A flexible attitude.

- Ability to deliver training in classroom, workshop and within Industry environments.
- Current drivers licence.
